

19TH ANNUAL
APPALACHIAN WIRELESS
CHARITY GOLF SCRAMBLE

STONECREST GOLF COURSE

5
JUNE

918 CLUBHOUSE DR
PRESTONSBURG, KY

The 19th Annual Appalachian Wireless Charity Golf Scramble is set to "tee off" to help a deserving charity in the Appalachian Wireless coverage area. This prestigious golf scramble is known for its professional, fun, competitive, and charitable giving. From backpack programs, children's homes, and food pantries, the recipients of the golf scramble have varied year to year.

But why is it important for your charity to apply? The funds, marketing, and networking opportunities from the Appalachian Wireless golf scramble will help align your organization with other charitable donors and sponsors. Still, the chosen organization will receive a check from Appalachian Wireless for ALL monies raised. Please fill out and submit the attached charitable questionnaire for your organization to be considered. Once you have finished your questionnaire, you can include videos, pictures, and social media links to help our team choose your charitable cause. We can make a difference by supporting organizations serving our communities. Let us make a difference with your charity this year!

We are you. We are Appalachian Wireless!
